Recognition of D'Amato & Associates by Chambers and Partners, USA for 2008

June 13, 2008

We are pleased and proud to announce that John D'Amato and D'Amato & Associates, LLLC have been recognized by Chambers and Partners USA for 2008 as among the top-rated sources in Hawaii for legal advice in the area of ERISA and employee benefits.

Last year was a busy and productive one for us. We prevailed in an ERISA case of first impression in federal court and acted as benefits counsel on some of the largest commercial transactions in the State, while at the same time continuing to provide our long-standing corporate clients with support in the areas of plan amendments, fiduciary conduct, defense of claims, and plan administration.

The recognition by Chambers and Partners follows up on John's listings for 2008 in Best Lawyers in America and Super Lawyers of Hawaii. The Chambers and Partners recognition is especially dear to us because it is based largely on relative evaluation of attorneys by clients, and as well as upon peer evaluations. <http://www.chambersandpartners.com/usa/>

We look forward to continuing to provide support in the area of benefits to Hawaii businesses, individuals, and our colleagues in the legal profession, and we thank you for your support.
